Prevention of the spreading of Malaria in the Villages on the banks of Channels of Tunga and Bhadra Anicut.

Q.—2741. Smt. RATHNAMMA MADHAV RAO (Shimoga).—

Will the Government be pleased to state:—

the measures adopted by them to prevent the spread of malaria in the villages by the side of which the channels of Tunga Anicut and Bhadra Reservoir pass?

A.— Sri R. M. PATIL (Minister for Health).—

To prevent the incidence and spread of malaria in the villages served by Tunga Anicut and Bhadra Reservoir Project channels, in Shimoga, Chickmagalur and Chitaldrug Districts, the following permanent anti-malaria

engineering measures have been recommended by the Committees constituted for the purpose and works connected with these anti-malaria engineering measures are in several stages of execution. The permanent anti-malaria engineering measures consist of the following:—

(1) A dry belt of 2 furlongs from the periphery of each village or at the new site that is recommended for shifting.

(2) Depletion or breaching of tanks situated within 2 furlongs from the village.

(3) Shifting of villages depending upon their situation and other factors.

(4) Alignment of channels beyond 2 furlongs from the periphery of the villages or lining of channels if they have to be taken within 2 furlongs of the village.

(5) Canalisation of valleys within 2 furlongs of the village.

(6) Provision of sites for future extension of the villages keeping in view the village reserve.

(7) Filling up of burrow pits, manure pits and pools lying within the dry belt.

In addition to the above permanent anti-malaria engineering measures, recurrent malaria control measures by spraying the villages with residual insecticides (D.D.T.) are also undertaken in the area. Health Units have also been formed to include these villages so that curative and preventive services could be rendered to the population in these villages served by Tunga Anicut and Bhadra Reservoir Channel.

ಶ್ರೀಮತಿ ರತ್ನಮ್ಮ ಮಾಧವರಾವ್.—ನಮಿತಿಯು ಟಿಫಾರನುಗಳನ್ನು ಜಾರಿಗೆ ತರಲು ಬಹಳ ಕಾಲವಾಯಿತು ಎಂಬುದು ಸರಕಾರದ ಗಮನಕ್ಕೆ ಬಂದಿದೆಯೇ?

ಶ್ರೀ ಆರ್. ಎಂ. ಪಾಟೀಲ್.—ಕೆಲವೊಂದು ಮಟ್ಟಿಗೆ delay ಆಗಿದೆ. ಬೇಕಾಗಿದ್ದ personnel ಇಲ್ಲದಿದ್ದು ದೇ ಕಾರಣ.

ಶ್ರೀಮತಿ ರತ್ನಮ್ಮ ಮಾಧವರಾವ್.—ಗ್ರಾಮಸ್ಥರನ್ನು ಸ್ಥಳಾಂತರ ಮಾಡುವುದಕ್ಕೆ ಆದಷ್ಟು ಜಾಗೃತೆ ನೂಕುತ್ತಮ ತೆಗೆದುಕೊಳ್ಳಬೇಕೆಂದು ಐದುವರ್ಷಗಳಿಂದ ಒತ್ತಾಯಮಾಡುತ್ತಿದ್ದಾರೆ ಅಲ್ಲವೇ?

ಶ್ರೀ ಆರ್. ಎಂ. ಪಾಟೀಲ್.—ಒತ್ತಾಯವೇನೋ ಇದೆ. ನೂಕುವುದು ಕ್ರಮ ತೀವ್ರ ತೆಗೆದುಕೊಳ್ಳಲಾಗುವುದು.

ಶ್ರೀಮತಿ ರತ್ನಮ್ಮ ಮಾಧವರಾವ್.—ಈ ವಿಷಯದಲ್ಲಿ ಸ್ಥಳೀಯ ಅಧಿಕಾರಿಗಳು ತಾತ್ಕಾಲಿಕವಾಗಿ

ದಿಂದ ಇದ್ದಾರೆ ಎಂಬ ಅಂಶ ಸರಕಾರದ ಗಮನಕ್ಕೆ ಬಂದಿದೆಯೇ?

ಶ್ರೀ ಆರ್. ಎಂ. ಪಾಟೀಲ್.—ತಾತ್ಕಾಲಿಕವಾಗಿ ಘಾತದಿಂದ ಇದ್ದಾರೆ ಎಂದು ಹೇಳಲಕ್ಕೆ ಆಗುವುದಿಲ್ಲ; delay ಆಗಿದೆ ಎಂಬುದು ಏನೋ ನಿಜ. ಆದರೆ ಆದಷ್ಟು ತೀವ್ರಕ್ರಮ ತೆಗೆದುಕೊಳ್ಳಲಾಗುವುದು.
